Kids Yoga Grades 1st - 5th Mrs. Keely Totten 3:00- 4:00

Mrs. Keely Totten, E-RYT 500, is a local yoga teacher (and St. Rita mom) that teaches at Yoga Madre, facilities retreats and works privately with clients one-on-one in her home studio. Build awareness, balance, and breath through a fun, dynamic yoga class. Yoga is a rich ancient practice that nurtures the body, tames the mind and creates connection. This class will give kids some tools to self-regulate, build concentration and create strength and flexibility. **Class size is Limit 12 students**

Computer Coding Grades 3-8 Mr. Gabriel Hernandez 3:00- 4:00

Storytelling with Scratch Create. CODE. Tell Stories. Create and share your own digital stories. Use the computer to design your own stories, create and share your own animations, and learn how technology is used in the film and media industry.

Class size is Limit 12 students.

Cooking grades K-8 Mrs. Khraich 3:00 -4:00

In this scrumptious class, kids will tantalize their taste buds and have fun with food! Different recipes each week with a Springtime theme flavor! Learn the math of measuring, nutrition, dining etiquette and cooperation skills. We will have lots of fun with making all different delicious recipes! The students will be going on one walking fieldtrip to the Bakery

Class size is limited to 14 students on a first come first serve basis.

Lego Robotics TK-6 Parker Anderson Please register at www.parkeranderson.org

Students build new and different projects each week as they graduate from simple machines, to motorized mechanisms, to robotics with basic programming. They'll learn all about engineering principles such as gears, wheels, axles, levers, and pulleys. This class is as fun as it is educational!

Wednesday 4/18, 4/25, 5/02, 5/09, 5/16, 5/23, 5/30, 6/06

Bubble Bonanza K-6 with Mrs. Tonia Patino

Kids will explore how bubbles behave and investigate the properties of different materials as they engineer all kinds of bubble wands. Why do bubbles float? Do all bubbles pop? How can I become a bubble expert? The class will wrap up with a Bubble Bonanza Showcase where kids demonstrate their creations.

Chess Club grades 1-8 Coach Jeff

Class size will be limited to 12 on a first come first serve. Chess teaches kids how to analyze strategic situations. By getting kids to focus, concentrate, anticipate, and evaluate, Chess can help your child to develop abstract thinking skills. Chess also teaches your child to plan, organize, and multi-task as they are thinking. Best of all, coach Jeff is a certified instructor and will make it interesting and fun. Sign up today! Lessons will make chess interesting and fun for all students. Continuing and new students are welcome. Weeks of after-school chess consisting of a group lesson, playtime/tournament and 1-on-1 instructions during playtime. (no classes on 11/22, 12/27) **(Class Time from 12:00 pm -1:00 pm on 12/20)**

Karate K-8 with Mr. Justin Barra of SoCal Kenpo Karate Sierra Madre

Whether you are trying karate for the first time or have worked your way through belt levels, come practice with experienced karate teacher Mr. Justin Barra and develop life skills that will help you on and off the mats. SoCal Kenpo is dedicated to helping each child develop self-confidence, learn to express themselves through movement and achieve their individual goals with a focus on respect, perseverance and trust. This fun and approachable class is a structured introduction to the Kenpo system with a focus on developing good technique for self-defense. Through mastery of self-defense skills, students continuously develop their bodies and minds. Learn more about the instructor and what to expect from this class at www.socalkenpokarate.com. **Class size is limited to 10 students**
