St. Rita School Mission Statement

The mission of Saint Rita School is three-fold: to assist and to enable parents to fulfill their roles as the primary educators of their children, to inspire our students to grow and develop as Catholic-Christian citizens, and to provide a liberal arts education which will challenge each student to become responsible citizens educated to meet the needs of self and society.

St. Rita School Philosophy

St. Rita School is a faith community committed to the dignity and spiritual destiny of every person. We stress educational excellence and the development of the character and individual abilities of our students within the context of Catholic-Christian values and personal integrity. We, the faculty and staff at Saint Rita School, believe that we are called as Christian teachers to educate the whole person—spiritually, intellectually, socially, psychologically and physically. We acknowledge that the family is the heart of Catholic education and that parents are their children’s primary educators. We serve and assist parents by creating and maintaining a loving, caring, and Catholic environment. Through our modeling, we hope to guide and lead each child with respect to his/her ultimate goal and simultaneously with respect to the good of our global community. Our strategies for educating the whole child to become a life-long learner are guided by the following principles.

Our Religious Education places emphasis on a sense of Catholic community. Our instructional model as individuals is always Jesus Christ. Instruction in basic Catholic Doctrine prepares students for the sacraments, encourages prayer and public worship and focuses on living daily with a Christian attitude that involves concern and service for others. As educators we facilitate learning to achieve competency in the basic skills of math, reading, and the English language. Our education also includes a general knowledge of social studies, science, fine arts, and a recognition and appreciation of cultural activities.

Our Intellectual Education stresses the principle that all children with diverse needs and abilities can learn. Teachers and school administrators create and foster learning environments where all children are challenged to learn and utilize a variety of problem solving techniques to develop critical thinking, creativity and innovation.

Our Social Education recognizes parents as the primary educators of the students. Our teachers work with parents to prepare students for life as members of family, Church, civic, economic and global communities.

Physical Education is important to develop within each child a physical and psychological awareness of self and of others. This is achieved through developing a sense of body awareness through exercise and physical achievement.

Psychological Education is achieved by developing a deep self-respect and self-acceptance along with an understanding and care for all living things and the ability to make responsible decisions when faced with critical issues.

Discipline and guidance is an integration of character education and Christian social living. At St. Rita School, discipline is considered an aspect of moral guidance and not a form of punishment. Good discipline is necessary to establish standards of behavior, mutual respect, and a desirable system of values. This leads each person to develop self-control, self-respect and self-direction.

School Wide Learning Expectations

School Wide Learning Expectations indicate the skills, competencies, and keys to success students will gain by their successful completion of Saint Rita School's educational and religious program. Teachers, at all grade levels, plan lessons to ensure that students develop spiritually, intellectually and socially. In addition, teachers create activities aimed at fostering the "keys to success" that allow students to personalize the experiences.

A Saint Rita student strives to become:

I. A Christ-Centered Person Who:

- A. Prays daily and attends Mass
- B. Lives each day as Jesus did
- C. Supports and contributes to others through Christian service
- D. Understands the teachings of the Catholic faith

II. An Intellectual Learner Who:

- A. Is able to actively listen, speak and write well
- B. Develops critical-thinking and problem-solving skills in a variety of ways
- C. Uses technology responsibly
- D. Appreciates the fine arts

III. A Maturing Individual Who:

- A. Accepts all God-given talents and abilities
- B. Has developed self-confidence and self-motivation
- C. Practices sportsmanship
- D. Makes good choices

IV. A Globally Aware Citizen Who:

- A. Follows the Golden Rule
- B. Serves others
- C. Respects all God's creations
- D. Cares for the environment

St. Rita School Charges

Saint Rita Parish provides a financial subsidy to the school and maintains the building and grounds. Active parishioners support the parish and school financially and communally, and the school exists primarily for the benefit of their children. When space is available, we welcome Catholics from other parishes and families of other faiths.

No family pays the whole cost of educating their children. Purchasing SCRIP, fundraising participation and service are a part of parochial school life and help to bridge the difference between the tuition charged and the actual expenses of running the school.

Tuition Payment: All families are required to enroll in F.A.C.T.S Tuition Management. Tuition is collected through automatic debit or credit card on the 5th or 20th of the month August through May. **Go to our web site: www.st-ritaschool.org and click on F.A.C.T.S**

As an alternative arrangement, tuition may be paid in full directly to the school. The principal must approve any other alternative tuition payment plans.

Students will not be permitted to participate in extra-curricular activities or return to school until all delinquent obligations are paid in full.

Parish Support Families: Parish tuition rates are for Catholic families who attend Sunday Mass weekly and use the parish envelopes. New parishioners must establish a record of six months of weekly attendance and donations to qualify for the coming school year. Tuition rates will be adjusted in July and January to reflect current supporting parishioner status.

1. Registration: \$250.00 per family (due in February for returning families) accompanied by the parent agreement. Registration for the following school year will not be accepted if financial accounts are not current. A student's continued enrollment and participation in after school sports and extra-curricular activities is contingent on accounts being paid and up-to-date.

6. Scrip Commitment

SCRIP is a part of our budgeted fundraising program (\$50,000). Your everyday purchases generate a percentage back to St. Rita School. We offer many opportunities to support the school through the scrip program. A total of \$250.00 in **scrip profit** is required per year of every family from June 1 through May 31. This includes your Ralphs Reward card, gas cards, gift cards and credit cards registered through E-scrip. Fulfilling the requirement is very easy and does not add an additional economic burden to your budget.

- An option to “buy out” for the year in the amount of \$250.00 may be paid by November 1, 2018.
- Once a family fulfills the \$250 scrip profit commitment, 50% of the additional profit will be credited toward the family’s student fees or tuition for the following school year.
- Families will be billed the difference at the end of the school year.
- All open balances will be applied to FACTS

7. Parent Volunteer Service Hours

35 Hours total required

PTO Families may choose to “buy out” for \$30.00 per hour. Total “buy out” is \$1050.00 per year due by November 1, 2018.

*****See page 26 for complete breakdown of Parent Hours*****

Archdiocese Of Los Angeles Policies

Parental Attitude

School and Parents must work together and set good examples for our children. Parents are expected to support all school policies and all teachers. In the case of a disagreement, contact the teacher or individual involved first. Refrain from “discussion and speculation” with other parents or other individuals. As an express condition of enrollment, students and parents/guardians shall

follow standards of conduct that are consistent with the Christian principles of the Archdiocese of Los Angeles and St. Rita School. These principles include but are not limited to policies or procedures set forth in this parent/student handbook.

These Christian principles include but are not limited to:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- In a place where a school employee is required to be in the course of his or her duties, any parent/guardian or other person whose conduct materially disrupts classwork or extracurricular activities or involves substantial disorder may be guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee-concerted activity, including but not limited to picketing and distributing handbills.
- Any parent/guardian or other person could risk his or her child's continuation in school if he or she insults or abuses the principal or any teacher in the presence of students, parents/guardians, or other school personnel while on school premises, public sidewalks, public streets, other public ways adjacent to school premises, or at some other place if the principal or teacher is required to be there in connection with assigned school activities.

These expectations for students and parents/guardians include but are not limited to all school-sponsored programs and events (e.g., extended care, athletics, tournaments, field trips, etc).

The school reserves the right to determine, in its discretion, when conduct is severe enough to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

Letters/Notes of Complaint:

Letters or Notes of complaint to a teacher should be delivered in a sealed envelope.

The Education Code of California states: Any parent, guardian or other person who upbraids, insults or abuses any teacher or administrator of the school, in the presence or hearing of a pupil, is guilty of a misdemeanor. (Education Code 44811)

If the teachers are “insulted or abused” by any person in the presence of other school personnel on the school premises, on public ways adjacent to the school, or at another place where the teacher is assigned, that person is also guilty of a misdemeanor (Education Code 44812).

Code of Christian Conduct Covering Students and Parents or Guardians

The students’ interest in receiving a quality, morally based education can be best served if students, parents, and school officials work together. Normally, differences can be resolved. Nevertheless, it is

recognized that a situation could arise in which the uncooperative or destructive attitude of parents might diminish the effectiveness of the school. In some cases, the school may find it necessary to require parents or guardians to withdraw their children.

VIRTUS is a program designed to help prevent wrongdoing and promote “rightdoing” within religious organizations. The VIRTUS program empower organizations and people to better control risk and improve the lives of all those who interact with the Church. For more information, please visit www.virtus.org/virtus/virtus_description.cfm

All parent volunteers must participate in Virtus training and complete fingerprinting before any interaction with students and prior to earning volunteer hours.

All parent volunteers must report to the office before entering a classroom or a volunteer location and wear a visitor’s badge while volunteering on campus.

St. Rita School Policies

Admissions

It is the policy of St. Rita Elementary School to accept the registration of all who apply to enter our school, Transitional Kindergarten through Eighth Grade. Students applying for TK through Eighth Grades are accepted contingent upon the discretion of the principal. The age for admission of a child entering TK is four and one half years old by September 1st. For kindergarten it is five years old by August 1st and for first grade it is six years on or before August 1st of that year, etc.

New applications must include a registration fee, full completion of the registration information, a copy of the Certificate of Baptism, Immunization records, Sunday envelope number (for parishioners) and social security numbers of parent and students.

Since St. Rita School is a Catholic parish school, final acceptance of families who are active parishioners are considered first in line of preference. Next consideration is given to Catholic families from other parishes, and finally, families who are not members of the previous two categories.

Acceptance of a student into St. Rita School enrollment is a two-step procedure:

- 1) Results of the entrance exam must show that the student can learn and perform academically in the curriculum studies of our school system as designated by the Archdiocese of Los Angeles.
- 2) A personal interview with the principal of the student and both parents indicating that all agree to comply with the requirements of students and families for the parish school as a member of the Los Angeles Archdiocesan Department of Education.

When a classroom quota has been filled for a grade, it is the practice of the school to compile an active waiting list, with notification of each family listed, until the last school day in December. Following that

date, the waiting list is voided and the application process for the following September begins again in January.

This parish elementary school in the Archdiocese of Los Angeles admits students of any race, color, and national and/or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students. This school does not discriminate on the basis of race, color, and national and/or ethnic origin in the administration of educational policies and practices. Likewise this Catholic elementary school does not discriminate against any applicant for employment on the basis of sex, pregnancy, age, handicap, race, color, and national and/or ethnic origin.

Academic

Student Extra-Curricular Eligibility:

2. Students must maintain a "70% or higher" average in all classes, consistent good conduct standards, and demonstrate Christian behavior and positive attitude.

Homework Assignments

Each night during the week students are assigned homework that includes written assignments, notebooks, review, projects, reading, outlining, summarizing and study.

Academic Lab

Students in grades 4 through 8 who are missing homework assignments or require additional assistance with class lessons are sent to **Academic Lab** during lunch. Teachers on the west campus are the moderators and will assist students as needed.

Tutoring

All teachers are available for additional instruction for their students during the school day. It is the responsibility of the student to ask for assistance. Teachers **may not be paid for tutoring students assigned to their classes.**

Deficiency Notices

Deficiency notices are issued for failing and/or chronically incomplete class work or homework, excessive tardies, excessive uniform and non-dress violations, consistent lack of school supplies, etc.

Any unauthorized copying of tests or use of Teacher Editions/Assessment Manuals by students or parents/guardians is prohibited and may result in the withdrawal of the student from the school.

Homework & Make-up Work

Students are responsible for planning a schedule for nightly and long-term assignments and for all missing assignments following absences. Students will be given a reasonable amount of time to make up work and tests when absent due to illness or emergencies. Academic Lab may be used to

make up assignments. Some teachers encourage the use of email to relay missed work and will let you know of his or her policy at Back to School Night.

Grading Procedures

- Parents receive login access to *Schoolspeak* that provides current status of student progress.
- Report cards are issued one week after the Trimester end.
- No report card is given after 15 days of absence per trimester until all work has been completed.
- Progress reports and papers may be sent home for parent signature.
- It is the parent responsibility to monitor progress through Schoolspeak. All assignments and tests are listed with status of completion and grade.

Report Card Grading Scale - Grades 1-8

A = 93-100%

B = 85-92%

C = 70-84%

D = 65-69%

F = 64% and below

Principal's List & Honor Roll - Grades 4-8

Principal List: Students with all A's (93% or higher) in Math, Social Studies, Literature/Reading, English, Science, and Religion. The student must also have no lower than "good" in effort or citizenship.

Honor Roll: Students with all A's or B's (85% or higher) in math, social studies, literature/reading, English, science and religion. **The student must also have no lower than "satisfactory" in effort or citizenship.**

The Blue and Gold Society

The Blue and Gold Society recognizes students who demonstrate academic success, as well as, Christian behavior and positive attitude during each Trimester. Criteria:

- Have a "70%" average or higher.
- Have not served a 30-minute detention.
- Have not received a deficiency notice.
- Have not received a conduct referral.
- Have not received a behavior log. (TK-3)

An "A" or "B" GPA does not automatically warrant a B/G certificate. Character, motivation and citizenship are emphasized for induction.

Retention Policy Procedure

Teachers notify parents and the principal of concerns. Parents are called in for a conference to determine course of action to promote student success. Retention often is recommended due for:

Immaturity: Emotional inability to cope with personal responsibility,

academic requirements and social situations

Attendance: Extended period of absence (illness/personal), tardies and study material that has not been made-up

Failure: Grade of “F” in core subjects, thus not ready for next year.

Discipline and Guidance

The purpose of discipline is:

- To promote personal development and growth.
- To promote respect for authority.
- To provide an atmosphere which is conducive to learning.
- To assist in the growth of self-discipline and self-control.
- **Behavioral Expectations**
- **It is the student’s responsibility to:**
- Behave in a manner that contributes to a positive school environment.
- Avoid any activity that may be considered discriminatory, intimidating, harassing or bullying.
- Report all incidents of bullying, discrimination or harassment to the teacher and principal.

Discipline Consequences: Students who behave in a manner contrary to the Behavioral Expectations, depending on the severity of the action, will be given one or more Discipline Consequence. Discipline Consequences include:

- **School rules apply to the Daycare setting.** Students are expected to treat each other with respect and courtesy. There will be no fighting, use of bad language, chewing gum or disrespect for any adult or fellow students allowed.

Field Trip Regulations

Field Trips are an educational part of the classroom curriculum. They are also a privilege. The school may deny students participation in field trips if they fail to meet academic or behavioral requirements.

Permission forms for a field trip will be distributed by the classroom teachers and must be brought signed to school no later than two days preceding the event.

A one-time family permission slip for walking trips and field trips is sent home at the beginning of the school year. This does not replace permission slips for scheduled field trips.

- Have proof of a valid, unrestricted driver's license on file in the school office.
- Provide a current declaration of automobile liability insurance coverage to be placed on file in the school office.

School Safety - St. Rita School in accordance with the Archdiocese of Los Angeles is committed to providing a safe environment for all of its students.

All Visitors must sign-in: Parents and visitors must sign in at the school office when they enter the school grounds and wear a visitor's badge **before** walking around campus.

Morning Arrival: East Campus Students enter through the gate on Baldwin that leads past the school office or be escorted by a parent through the Playground gate. West Campus Students enter through the Olive Ave. gate or Baldwin Ave. gate.

Morning Drop-Off and After School Pick Up

Morning Drop Off

Parents who wish to pull up and drop off their child(ren) have two supervised a.m. zones: East Alegria Avenue and Olive Avenue.

East Alegria Avenue:

Travel north on Baldwin Avenue and turn right onto Alegria Avenue. Pull forward in the “no parking zone” and place your car in park. A proctor will assist your child(ren) out of the car on the curbside (only) and direct them down the sidewalk to the school steps onto the east campus (grades TK-3) or use the crosswalk supervised by Mr. Sanchez to the west campus (grades 4-8).

Olive Avenue:

West campus students may be dropped off on the south side of Olive Avenue which is a “no parking zone”. Pull forward and place your car in park. A proctor will assist your children out of the car on the curbside (only) and direct them down the steps onto the west campus. NO turning left from Baldwin Avenue during drop off or during pick-up. Enter Olive Avenue from Auburn Avenue off of Grandview Avenue. Parents are welcome to park in the church parking lot or on the street and walk students to either campus in the morning. Double parking is a violation of traffic laws and is subject to ticketing. **Children should never cross outside of crosswalks or exit vehicles on the street side.**

Afternoon Pick-up Lines – (Place name placards on your dashboard)

Church Parking Lot

Cars enter from the east driveway off Grandview Avenue, wait for your child to be assisted into your car and then exit out the west driveway back onto Grandview. (Horseshoe pattern). **Always place your car in park while in line. Please display your name placard on your dashboard.** Teachers will assist your child into the car and seatbelt.

West campus pick-up is on the south side of Olive Avenue. This is not a parking line. Cars should move along so that students are able to board cars efficiently. If students are delayed drive around the block and re-enter the line. Do not block the flow of traffic. **Please remember, U-turns, stopping in front of driveways or**

red zones are not only illegal but also unsafe for your children. Always fasten seatbelts before driving on.

On rainy days east campus students await pick-up in Gara Hall. Parents drive into the church parking lot off Grandview and continue up the driveway to the Gara Hall entrance (double doors across from church) for pick-up. Cars then exit by a **right turn** only onto Baldwin Avenue. **Please display your name placard on your dashboard.**

****Name Placards are available at the PTO General Meeting in September,, in the church pick up line and in the school office upon request.**

**** TK, K & 1st grade parents, please notify your teachers of how you will pick up your child daily.**

East campus: Parents should notify the classroom teacher as to which of the 4 pick-up areas the child should be released. The 4 pick-up areas are:

1. O'Malley Hall Parking Gate (students are placed in the car and the teacher assists with seat belts) **Please display your name placard on your dashboard.**
2. Alegria Car line (student should be able to enter the car and put on seatbelt without assistance)
3. L.E.A.P.S
4. Kidz Club

Rainy days/East Campus: Teachers walk students to Gara Hall. Parents drive into the church parking lot off Grandview and continue through the O'Malley Gate up the driveway to the Gara Hall entrance (double doors) for pick-up. Cars then exit by a **right turn** only onto Baldwin Avenue. **Please display your name placard on your dashboard. Teachers will direct the flow of traffic.**

West campus: Pick-up is on the south side of Olive Avenue. This is not a parking line. Cars should move forward so that students are able to board cars efficiently. If students are delayed drive around the block and re-enter the line. Do not block the flow of traffic. Please enter Olive Avenue by way of Auburn. **Please remember, U-turns, stopping in front of driveways or red zones, and excessive speeds are not only illegal but also unsafe for your children. Please ensure your child exits/enters the car door closest to the curb.**

Emergency Disaster Plan

In the case of an emergency all Parents who report to the school must park their vehicles, and then walk to the command post on the West Campus or secondary location if needed. Students can be released to parents (*or anyone listed on the Emergency Card) through the command post only. The command post will direct parents to the student release area. The release staff will call for the students and will record the parent/guardian names and time of release.

Emergency containers are located on both campuses with food, water, pop-up tents, blankets and medical supplies along with student emergency bins that are collected at the start of the school year.

General Information

Personal Devices & Cell Phones

Cell phones and electronic devices must be turned off and left with the homeroom teacher at the start of the school day. At the end of the school day, students will be given their device to place in their backpack. Student use of a cell phone on campus before, during or after school will result in a conduct referral and one-day in-school suspension. Necessary calls may be made through the school office 7:00 am- 5:00 pm daily. Technology devices (i.e. iPod, iTouch, iPad, wifi watches, etc.) are only allowed with permission and supervision of the teachers. The school is not responsible for loss or damage to any personal items.

Late Lunches

All lunches delivered past the morning bell must be left in the main office. Students will eat their lunch at the table by the front office. We discourage students leaving the campus for lunch with parents or relatives. Fast food lunches are

strongly discouraged. **Parents may never hand lunches or any items over the fences.**

Lost and Found – Parents please mark clothing and personal belongings!

All marked articles of clothing will be returned to the owner. At the end of each month, all unmarked clothing will be sent to the used uniform sale.

School Supplies

The school does not sell supplies. A list of classroom supplies needed for the new school year is given to each child on the last day of the previous school year. New students receive a copy of this list when their acceptance has been completed. Each student is required to be prepared daily with the necessary supplies for class and should arrive on the first day of school with all necessary supplies.

Bicycles, Skateboards, Scooters, Roller Tennis Shoes, etc.

The Sierra Madre Police Department has recommended that only students in grades 5 through 8 ride bicycles to school. Parents, who wish their children in grade 4 to do so, may send a written request to the principal. The School Safety Code of California forbids the riding of bicycles on school playgrounds before, during or after school. Riders must walk bicycles off and on the playground. During the day, bicycles may be kept at the bike rack. The school is not responsible for stolen or damaged bicycles. Scooters, skateboards and roller/tennis shoes are never allowed at school.

Care of School Property

St. Rita's students are encouraged to take pride in school property by not littering the grounds, damaging desks, books, or any other school property. Carelessness and deliberate damage of books or any other school property will be charged to your account. Final Report Cards will not be issued to students who have not returned or replaced all school property.

Birthday Treats & Out-of School Party Invitations

Students in TK-8 may provide a single treat for every class member to celebrate their birthday. The treat will be given to fellow students at the start of recess or lunch. Birthdays are not celebrated in the classrooms. **Parents, please notify the teacher at least 48 hours in advance if you wish to provide a birthday treat. (No party bags or decorations). We recommend low sugar, healthy snacks.**

Out-of-school party invitations may not be handed out at school unless every member of the class is invited. Parents must first submit the invitation to the principal and homeroom teacher for approval. When an out of school party is planned, it is expected that parents advise their child(ren) not to discuss the party while at school.

Before and After School Supervision

The earliest a student should arrive at school is 7:30 a.m. Students must sit on or gather at the assigned bench areas until the 7:50 a.m. bell. In addition, students must remain calm without running, playing, screaming, etc. before the start of the school day. Supervision is not provided before 7:30 a.m. for

students. Early morning practices of extra curricular activities is an announced event, supervised by a teacher or team coach. It does not include any other students. Teachers sometime agree to meet with a student before school for help in a learning subject. This arrangement, made ahead of time, allows for supervision of that student only. If necessity demands that some parents bring their children to school before 7:30 a.m., a written note to the principal and her approval are mandatory. **Children in grades TK-3 arriving before 7:30 am must be escorted to the school office.**

After school, all students should go directly home unless involved in sports, L.E.A.P.S, extra curricular activities or Kids Club. Please arrive at school to pick up children promptly at 3:00 p.m. Teachers are not available to supervise students after school. Children staying to watch a game must have parental permission and are not supervised by coaches. **Early Dismissal at 2:00 p.m. occurs on Thursdays throughout the school year for faculty meetings.**

Attendance

Please call the school office in the morning if your child will not be in school for any reason.

Illness excuses a pupil from attendance at school. Through the school health proctor, the principal approves the dismissal of pupils who become ill at school. Parents are always notified by phone. If a parent is unavailable, a student will only be released to persons listed on the emergency cards. Your family emergency card information should be accurate and complete at all times. Please notify the school office **immediately** of changes in address, phone numbers, emails, occupations, and emergency contacts. When a child has been absent more than 3 consecutive days, a note from your physician is required.

Medical and dental appointments are discouraged during the school day and they are not “excused” but noted as an absence or tardy depending on length of time out of school.

Tardies are not excused, as well. No student will be permitted to leave school before the regular dismissal time without a written note from the parent or a referral from the health proctor. All notes must be turned into your homeroom teacher at the beginning of the day or the office if you are arriving late.

P.E. Excuses: A student may be excused from P.E, class with a written note from a parent. A physician’s note is mandatory for extended non-participation. On the day(s) a student does not participate in P.E., he or she may not participate in after school practices or games or recess/lunch activities. Please have your physician specify exact limitations and abilities of student on the note, along with a date of return to full ability.

Parents, send all written correspondence (attendance, messages, parent –teacher meetings etc.) in a sealed envelope addressed to appropriate recipient.

Parent-Teacher Communication

All parents are expected to attend the Back-To-School Nights in September. You will receive an overview of the school year and the specific academic and behavioral expectations. This evening is provided to promote parental support for the school and to increase mutual understanding between teacher and parents.

Formal parent-teacher conferences are held annually in grades TK – 3. In grades 4 -8 parents conferences are scheduled as needed. Parents may view their child’s progress on **Schoolspeak**, our student information system. Teachers update progress on a weekly basis. You will receive your login and password at the beginning of each school year.

Parent-teacher meetings may be scheduled by appointment only. Send a written request or email for an appointment directly to the teacher. **Phone calls, emails and texts to teachers will not be answered during the school day** but you may leave a voice message on the teacher extension noted on faculty list. Teachers and Staff have 24 hours (Monday-Friday) to respond to and emails, phone messages and written notes. The principal and teachers are not available for drop-in meetings.

Parent Teacher Organization (P.T.O.)

The membership of the P.T.O is made up of the executive board, all parents of students in the school, the pastor, the principal, teachers, and staff. General membership meetings in September and May are mandatory for parent.

The Purposes of the PTO is to:

- Promote open communication among the parents, teachers and administration.
- Provide support for the principal in his or her role as the administrator of the school program.
- Promote goodwill and cooperation between and among parents, faculty, administration, and parish.
- Direct and coordinate parental support through parent education activities and social functions that build community.
- Help build and enhance the faith community of the School and Parish.
